We offer a 4D Open Class and a 3D (15 & Under) Youth Class at each race, along with sidepots such as Adult, Senior, Futurity, and Rodeo Run. We offer awards, buckles, and saddles as part of our Awards, Buckle, and Saddle Series for awards each year. Our events attract racers from Oklahoma, Southeastern New Mexico, Colorado, and Central/West Texas, averaging 100 entries per race. In our two day races we have had over 200 entries each day.

Each race features at least \$100 added money, is BBR approved, and includes NIH (Non-Incentive Horse Incentive) eligibility. Events with \$1,000 or more added money also receive WPRA, TQHA, BBR, and/or PBRIP approval. Our Too Hot To Handle race is currently approved to be a KK Run for Vegas. We also will have one race during the year that will be a BBR Xtra Series Race.

Over the past five years, we have proudly produced more than 300 races and continue to expand our schedule each year.

We invite you to partner with us by selecting one of our sponsorship packages or contributing a custom sponsorship or donation of your choice.
